Labour Party Councillor Finsbury Park Ward

Gary Heather - NCC election nomination statement 2019

I am currently a member of the National Constitutional Committee, and I want to be re-elected to the NCC to continue working to help ensure fairness and justice for all Labour Party members.

I have been a Party member for 30 years, and served as CLP chair. I am a borough councillor, with experience as a parliamentary candidate. As a trade unionist, I served on the CWU NEC and I was President of Islington TUC. I am also a member of Momentum, the Fabians and the Co-operative Party.

I am knowledgeable regarding the rules of the Party, and believe that people receiving justice in society – including in the Labour Party – is a fundamental human right. I have experience of dealing with disciplinary matters in the Party and in my union, where I served on the national discipline committee and also assisted union members at Employment Tribunals.

The Party rules must be applied fairly to all members, while always looking to resolve disputes and conflict so as to maximise unity and effectiveness within the Party.

Labour under the leadership of Jeremy Corbyn has to advocate an alternative to Tory Government austerity and cuts, and gain power to implement this vision.

Please nominate me to stand for re-election to the NCC in the ballot to be held at Labour Party conference later this year in September.

I am supported by the Centre Left Grassroots Alliance to stand for the NCC.

The deadline for CLPs to make nominations is 14 June at midnight.
